

TANKIE

The background image shows an industrial construction site. Two large, cylindrical metal tanks are the central focus, with scaffolding and ladders around them. A crane is visible on the right side, extending from the top right towards the tanks. In the foreground, there is a chain-link fence with yellow bollards. To the left, there is a building with several windows. The sky is clear and blue.

Team builders focusing on the total picture.

Action oriented to move forward in an intelligent manor.

Notable as being moral and ethical.

Knowledge of tank codes, standards and systems.

Improving oneself and others each day.

Excelling to be the best you can be.
